Dear Residents,

The Department of Housing and Urban Development (HUD) for the Rocky Mountain Region has authorized an inspection of Springwood Retirement on Thursday, October 6, 2022, beginning at 9:00 a.m. The purpose of the inspection is to show proof that our operation meets their stringent requirements.

To do so, one of their stipulations is that they inspect apartments of their choice, excluding an apartment of a resident that is ill. Please be prepared because they may choose your apartment to look at.

Thank you for your cooperation and please excuse the intrusion. Our preference would be to have notified specific residents, however, that does not meet with HUD's requirements.

Sincerely,

A handwritten signature in black ink that reads "Angela Hogan".
