

# If you're sick, please stay HOME

Dear Springwood Retirement Campus Families,

Help keep our residents safe and healthy. We're all looking forward to sharing joyful holiday events and fun activities with our Springwood families. Fall is flu season and coronavirus cases are on the rise.

**Do your part to stop the spread.  
Please stay home, isolate  
and take care of yourself  
if you have symptoms!**

Thank you,

Angela Gloria-Hogan  
Executive Director
